YMCA Birthday Party FAQ

What do we do first when we arrive at the YMCA for the party?

Upon arrival, 45 minutes prior to start time, parents/guardians of all guests are asked to inform staff they are here for a birthday party. Guests will be directed to the party room where parents/guardians will sign in their children and provide an emergency contact number. This needs to be completed before parents/guardians leave the Y.

Can we bring our own food for the party? What about delivery?

Party families are welcome to bring in pizza, subs or other birthday treats for the party guests. If you would like to order pizza or subs, you can have it delivered to the Y and you are responsible to pay and receive the food items from the delivery person in the lobby. The Y staff is not able to order or collect money; this is the responsibility of the party parent/guardian. ***Excludes the Preschool party.**

Should we bring our own towel and suits? What else may we need?

If swimming, guests need to bring their own towel and swimsuit, along with their own gym lock. If one of your guests would like to purchase a lock, they are available at the Welcome Center desk for $7.

Are adults required to be in the pool?

To ensure safety of all, the following adult/child ratios in the pool must be strictly adhered to:
Children 3 & under= 1 adult per 2 children
Children 4 & 5= 1 adult per 3 children
Children 6 & 7= 1 adult per 4 children
Adults are required to be physically in the water.

Are lifeguards staffed during the birthday party?

The Y follows all safety guidelines and requirements for lifeguards, who are staffed during birthday party times.

Is the Boys and Girls Club Teen Center staffed?

There is staff on-hand at the Teen Center during the birthday party.

Who should I contact if I have questions about the birthday party?

Please contact MaryAnn at mschwark@fdlymca.org or 920.921.3330 ext 349.
